

# Attention Leaders and Parents:

In addition to our free monthly program we are also providing four advanced paid programs, that for a minimal fee will supply your scout(s) with everything they need for an interactive den meeting. The meetings will come to you via Zoom.

Scouts will register in advance for the meeting(s) at

<https://tinyurl.com/CubScoutConnections>

\*\*There will be a pick-up time and location given to you prior to each meeting, where you can pick up your scouts kit.\*\*

You can purchase each months kit for \$ 15.00 separately, or if you order your kits quarterly you can purchase them at a discounted rate of \$45 total for all 4 months (that's one a month for free!)

You can choose to do any number of meetings, you do not have to commit to all of them.

Once registered you will receive all program details and the Zoom invite. Zoom invites will only be emailed to the emails you provide at registration, and the invite will be emailed the day before the meeting each month.

If you have any further questions, please call or email
